Update for Strategic Plan and Policy Subcommittee **April 9, 2012**

Executive Fellows' Report Update

The Executive Fellows' Report pertains to the current status of law enforcement activity in the Delta. The Fellows interviewed all of the County Sheriffs, the California Highway Patrol, wardens with the California Department of Fish and Game, the California Department of Boating and Waterways, and the Coast Guard. They uncovered many issues that are tangentially related to the primary focus of the paper such as issues with trespassing, vandalism, theft, and other property crimes. These issues will be discussed in an appendix to the Fellows paper.

The Fellows will present their findings to the Subcommittee at the May 14, 2012, Strategic Plan and Policy Subcommittee meeting and then to the full Conservancy Board on June 27, 2012 meeting.

Draft Strategic Plan

Numerous comments were received; the Subcommittee recommended that Staff work with the consultants to incorporate the comments provided at the meeting for the May 14, 2012 Subcommittee meeting. Their recommendations will be presented and discussed at the May 16, 2012 Board Meeting.
